

Grade 2

Full Time, Fixed Term contract until 30 June 2019

NFP Salary packaging available

An exciting opportunity exists for an enthusiastic and motivated Audiologist to join our diagnostic team in Melbourne's north.

The Community Health setting provides the Audiologist with the opportunity to work in a multidisciplinary environment which enables holistic care of clients and communities. You will work with an established team to provide clinical services to a culturally and linguistically diverse client group, with a majority paediatric caseload. DPV Health Audiology also specialises in diagnostic infant assessments and children with special needs.

All applicants must be Full Members of Audiology Australia Ltd. and hold a Certificate of Clinical Practice.

For a copy of the position description and to find out more about DPV Health, please see our "getting involved" page on our website www.dpvhealth.org.au

Please apply submitting a covering letter, your CV and address the key selection criteria for consideration for this position.

Email your application to recruitment@dpvhealth.org.au

Applications close: 10 December 2018

Successful applicants will be required to undergo or hold a National Police Check, Working with Children Check, Disability Worker Exclusion Scheme Check, Full Drivers Licence and work rights for Australia.

You may be asked to either provide or register for a Medicare and MBS provider number and agree to donate the total amount from this work to DPV Health.

DPV Health is an equal opportunity employer and is committed to ensuring we have an inclusive, diverse and safe workplace for our staff and clients. To us diversity means people of any age, family situation, cultural and linguistic background, sexual orientation, gender identity, physical sex characteristics, ability or disability, health, life experience, socio-economic situation, faith, spirituality and Aboriginal and Torres Strait Islander background. We encourage all individuals to apply.
