

# DPV Health

# 1<sup>st</sup> BIRTHDAY Celebration

## Our first year has been full of great achievements that have supported our community to live well!

We have expanded our extensive range of not for profit medical, dental, allied health, youth, children's, disability and support programs across the Hume and Whittlesea communities.

We have extended our DPV health sites to 20 locations

We now accept online bookings for our bulk-billed GP Services

We are a NDIS Registered Provider of services such as Support Coordination, Social Support, Allied Health and more.

### 1300 234 263

We have improved client access with the introduction of one central phone number

We launched the new DPV Health brand and website - check it out!

We have integrated the 600+ staff and volunteers to become one organisation

### 40+

years of service to our community

We are an inclusive organisation that actively celebrates the diversity of all people within our community. We offer exceptional health and community services for people of all ages, cultures and abilities - to find out more:
